

To Those in charge and to the Spokespeople of the activities at LNGS
via email / LNGS Website

INFN Board Committee adopted a new funding Program for foreign visiting guests called 'Fondo Spese Soggiorno Ospiti Ricercatori' (hereinafter also SSOR). This Program has replaced both ordinary and short FAI former programs.

SSOR Program consists of a yearly allocation locally managed by the Director. Therefore applications can now be submitted any time of the year.

Those who are granted funds within this Program are not allowed to go on mission outside Italy; missions in Italy are treated in compliance with the rules for INFN staff and its economic treatment is in place of the SSOR Program daily allowance.

Rules implementing SSOR Program:

- daily allowance between 50,00 and 200,00 Euro pre-tax;
- stay up to 12 months;
- travel cost reimbursement up to 1.000,00 Euros;
- canteen lunch tickets;
- invitation purposes:
 - development of theoretical and experimental tasks
 - conference cycles attendance
 - seminar cycles attendance
 - schools attendance
 - use of experimental installations
 - scientific/technical personnel exchange
 - scientific/technical info exchange.

Applications to LNGS Director can be submitted by the spokesperson or by the local or national person in charge of the experiment/activity, using the application form attached only.

The Director retains the authority to grant, to change or to reject the applications.

V. Fantozzi (fantozzi@lngs.infn.it) provides any additional info on this subject.

Best regards,

Prof. Stefano Ragazzi
Director

Attachment: application form.
