- ⁽¹⁾ The Gran Sasso Labs reference letter is in Italian and it is mainly intended:
- to declare the presence in Italy by the local Police of L'Aquila ('Dichiarazione di Presenza') for stays up to 90 days; this has to be accomplished within eight (8) working days upon arrival in the Schengen area. Please note that a readable entry stamp acts as a declaration of presence;
 - to apply/to extend residence permit ('permesso di soggiorno') according to an Italian National visa, and for stays over 90 days. Residence permit applications are submitted by any qualified post-office within eight (8) working days upon arrival in the Schengen area;
 - to support the application for Italian Tax ID code ('codice fiscale'), etc.
