

## Laboratori Nazionali del Gran Sasso

### Rules for visits (Open Laboratory) at Gran Sasso National Laboratory

<i>Available Days</i>	- 1 <sup>st</sup> Sunday of each month
<i>Participants</i>	- <b>Max 5 units. Minimum age 14 years.</b>
<i>Documents to deliver at the guardian box entrance before the visit</i>	- List of participants, date of birth and ID number.
<i>Underground Lab Entrance</i>	➤ It is possible to enter the underground lab with <b>minibus reserved by LNGS</b> . The visit will last about 1 hour and half.
<i>General Rules</i>	- If unable to make the visit <b>it is compulsory to communicate it</b> , by fax or e-mail ( <b>possibly up to 12 a.m. of Friday before the visit</b> ), or else the LNGS will have the possibility to claim the payment of the guide engaged for the visit.
	- A well-bred behavior is fundamental for a good result of the visit as well as to not interfere with the working activity of the whole structure.

#### **The noncompliance of the above mentioned rules implies the prompt interruption of the visit.**

Since the temperature in the underground lab changes between 7 and 18 C, it is recommendable to wear windbreaker and comfortable shoes.

During 2007 the underground lab will be subjected to works which could imply changes to the visit route or to cancel some visits.
