

Laboratori Nazionali del Gran Sasso in a nutshell: A Practical User's Guide

Address:

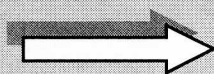

Laboratori Nazionali del Gran Sasso
S.S. 17 bis Km. 18+910
67010 - Assergi (AQ) Italy

Switchboard: **(+39) 0862 437 1** (active 24/7)
Extensions are three digits after 437 (e.g. +39 0862 437 _ _ _)

Working time: 8:30/17:10 (Mon to Thu); 8:30/12:30 (Fri)

Web page: <http://www.lngs.infn.it>

Upon arrival, users will receive a daily badge by the security personnel at the main entrance (external buildings). Precondition is that Security had been notified by the user's contact at LNGS (e-mail both to reception@lngs.infn.it and to spp@lngs.infn.it).

FIRST STEP
Users are required to get in touch with 'Servizio Prevenzione e Protezione' (Safety and security) as soon as possible to start any relevant administrative formalities.

[dial ext. 566]

Access to underground Labs is granted by Safety and security Service.

Users will receive an information package about safety, emergency and environmental policies at LNGS.

According to Italian laws, for stays up to 90 days non-EC users must only declare their presence in Italy at the local Police authority in L'Aquila within eight working days upon their arrival in Italy or in one of Schengen States;

Immigration Office:

via Strinella, 2
67100 - L'Aquila
switchboard: (+39) 0862 430 1

[dial ext. 236]

For stays longer than 90 days, non-EC users must apply for residence permit ('permesso di soggiorno') in any certificated post office.

EC users are required to register at the Commune of L'Aquila within 3 months.

For any related question on this subject, please refer to '**Ufficio Documentazione**' (EC/non-EC users office) or point to:
